4. Reports:

- a.) Principal's Report: Deborah Luporini. See principal's report for Dec 2020.
- Winter concert movie project is going ahead and kids are excited.
  - Elaine Tatrie is coordinating Family First Christmas program
  - Foundation Skills Assessment tests are going ahead in Grades 5, 7 & 8 January through March this year
  - Shelters are still under discussion. The best place to up a shelter is likely near the Kindergarten area where there is a notch against the building near stairs. The school district is reluctant to put up shelters out of sight lines. For now kids can take umbrellas.
  - Students aren't doing math contest this year

b.) Treasurer's report: Debbie Small. Please see Treasurer's report for Dec 2020.

c.) School store: Carly Westmoreland

- Carly has done the Foodsafe course
- There were many bundles of vegetables left over from the fruit & veggie fundraiser. It was a good fundraiser. The remainder is being donated or sold.
- There will be no school store until the spring. It's too much work to get volunteers into the school under COVID rules and so much more work for the volunteers.

d.) Trustee report: Pam Ruth

- The school liaison appointments haven't been set yet.
- The school district is doing an anti-racism/equity "scan".

d) DPAC report: Lorena Ruth

- They will discuss whether DPAC can help with Foodsafe course costs at next meeting

- Discussion was on how/when school district decides to call snow days etc.

5. New business: Christmas goodie drop in December was discussed and is being coordinated by Sandra, Martial, Lorena and Christina.

*Motion: That the PAC provide up to \$350 towards costs of hot chocolate. First: Lorena Ruth. Second: Christina Crosby. Passed with none opposed.*

*Meeting adjourned at 8 p.m.*
