

SCHOOL DISTRICT 46 SUNSHINE COAST

SPACES CONSENT FORM

Dear Parent/Guardian,

School District 46 – Sunshine Coast is implementing an education resource called Spaces (www.spacesedu.com) to help support students with documenting their learning and growth over time. The online platforms provided by the vendor are used by thousands of schools across Canada to support curriculum and student communicated learning.

Accessible via a secure website on any browser or via an iOS or Android app, Spaces helps teachers, students, and families see the whole picture; a collection of what makes each student unique and the journey that focuses on growth and improvement over time. Students can demonstrate learning and receive feedback in a variety of ways with pictures, videos, and other rich media. Teachers will be explicit with student expectations and acceptable uses of Spaces for learning.

Accounts are created for all students using a data extract from the District Student Information System. As part of the extract the district will securely provide limited personal information such as a Student ID and Name.

As an online service located in Canada, Spaces is bound by both federal and provincial Privacy Laws. Please review the Spaces Privacy Centre at www.spacesedu.com/privacy-center/ for more on their commitments.

I have read this consent form and understand that my child's personal information may be collected, used and disclosed for educational purposes as outlined in the Spaces [Privacy Policy](#) and [Terms of Use](#). **This consent will be considered valid from the date it is signed and will remain valid for the duration of your child's enrollment at the school. You may withdraw consent at any time by writing to your child's school principal.**

Kindly return a copy of this letter signed and dated. If you have any questions or concerns, please feel free to contact your child's teacher or school principal.
